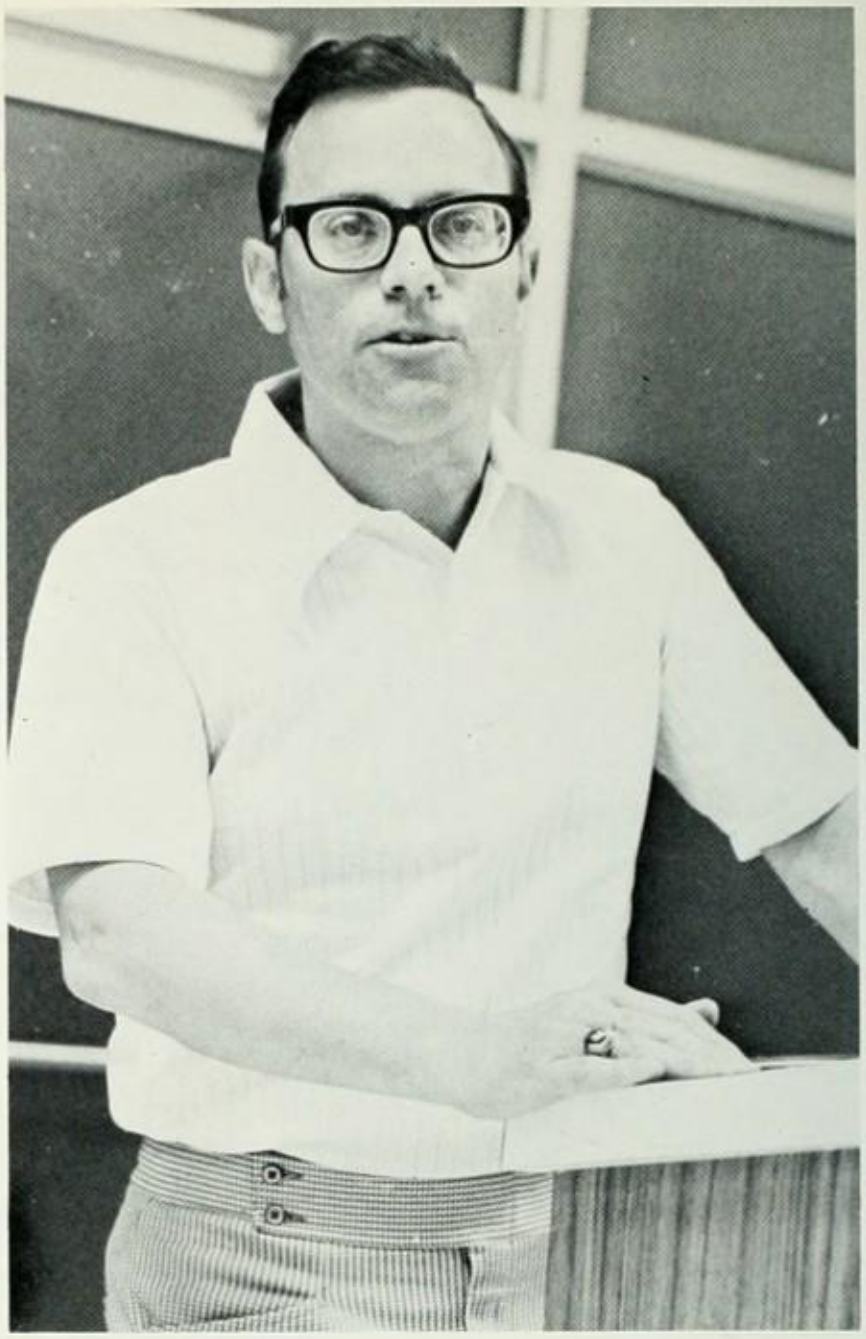
Mr. Kennedy Retires After 17 Years

After 17 years of dedicated service as Assistant Principal, moderator and teacher, Mr. Pat Kennedy retired his position at CHS for a new one as Principal of Redemptorist High School. In doing so, CHS immediately inducted him into the Hall of Fame at the Honors Banquet.

During his seventeen years at CHS, Mr. Kennedy has handled numerous tasks. In addition to holding the position of Assistant Principal for three years, he has headed the Social Studies department, advised the yearbook staff and Key Club, and taught Louisiana History, American History, World History, Civics, English, Religion, Speech, and Directive Reading.

Perhaps best known for his physical appearance - "1 pound of blue steel" as put by him - Mr. Kennedy was recognized, particularly by seniors, as a humorous, knowledgeable, friendly, yet sturdy man. Although he has left, most could tell you that his spirit is going to remain for a long time.



BELOW: Mr. Kennedy gives his daily lecture on his favorite subject - American History.

FAR LEFT: Saying his final farewell to the members of the Key Club, Mr. Kennedy thanks them for all their work.

LEFT: Helping the seniors with their ad drive, Mr. K types out a list of contributors.

BELOW: Mr. Kennedy gives his final farewell at the Honors Banquet.

ABOVE: Addressing a Key Club meeting, Mr. K discusses the Basketball Marathon.

LEFT: Doing some necessary office work, Mr. Kennedy answers the phone.

RIGHT: After a hard night's work waking up does not come easy for Rudy Aguilar.

TOP, FAR RIGHT: Tired of the usual routine of bacon and eggs, David Whatley switches to his favorite cold cereal.

BOTTOM, FAR RIGHT: Five extra minutes of sleep make all the difference for Alvin Himel.

BOTTOM RIGHT: Trying to improve looks and breath, Steve Losavio performs his early morning ritual.

BOTTOM RIGHT: District Attorney Ossie Brown, at a general assembly, expresses his confidence in the abilities of the upcoming generation.

BELOW: Brother Donnan explains disciplinary actions to the student body.

Governor's Address Keynotes Assemblies

Highlighted by an address by Governor Edwin Edwards to both CHS and St. Joseph's Academy students, assemblies were marked throughout the year by eminent speakers of the Baton Rouge community. Although the school rarely met for a general assembly, speakers talked to individual classes on excellent topics. The student body gathered to absorb the comments of District Attorney Ossie Brown, for example, who spoke on student/parent relationships and juvenile delinquency, and Dr. William Luikart, who spoke on factors contributing to the destruction of the family unit.

Other notable speakers gave lectures during various periods of the day to those students who could attend. Among those speakers were Lieutenant Governor James Fitzmorris, Commissioner of Insurance Sherman Bernard, Olympic Gold Medalist Willie Davenport, and professional wrestlers Grizzley Smith and Johnny Eagles.

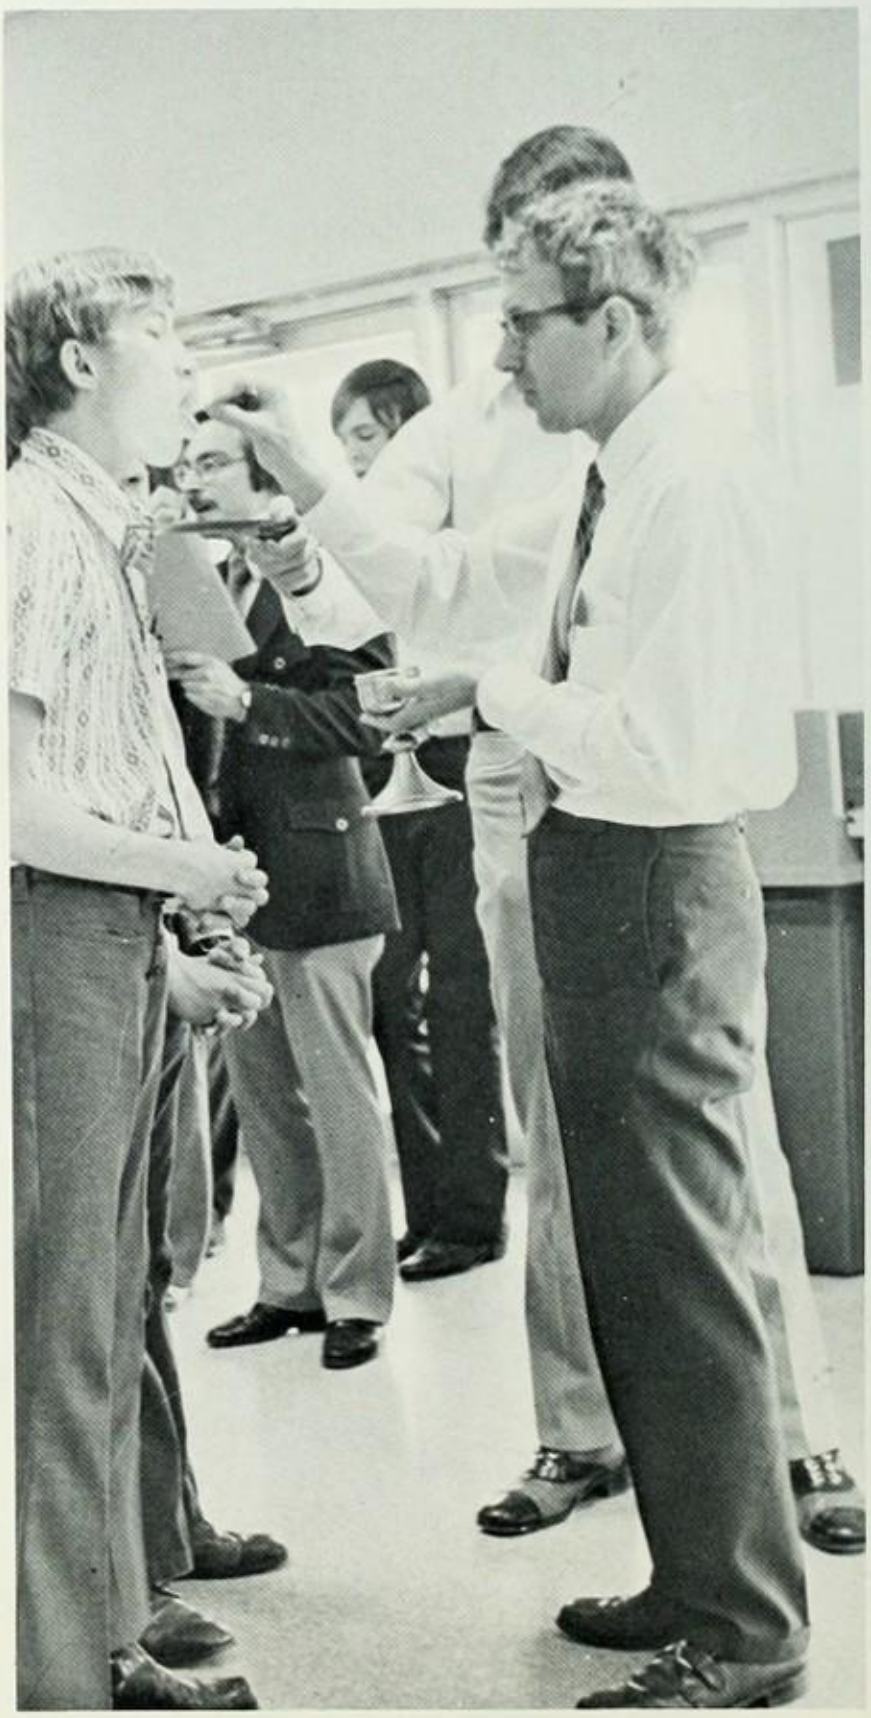
Junior Mike Bailey's outstanding efforts produced many speakers of extraordinary caliber for the school and also for the junior class, with Governor Edwards his most significant achievement.

Schedule Differences Halt Weekly Masses

One of last year's more or less familiar customs was a weekly Friday Mass. This year, however, the end-of-the-week tradition disappeared from the scene at CHS. This was predominantly due to a difference in scheduling between CHS and St. Joseph's Academy, which destroyed the timing of those CHS students attending classes at the Academy.

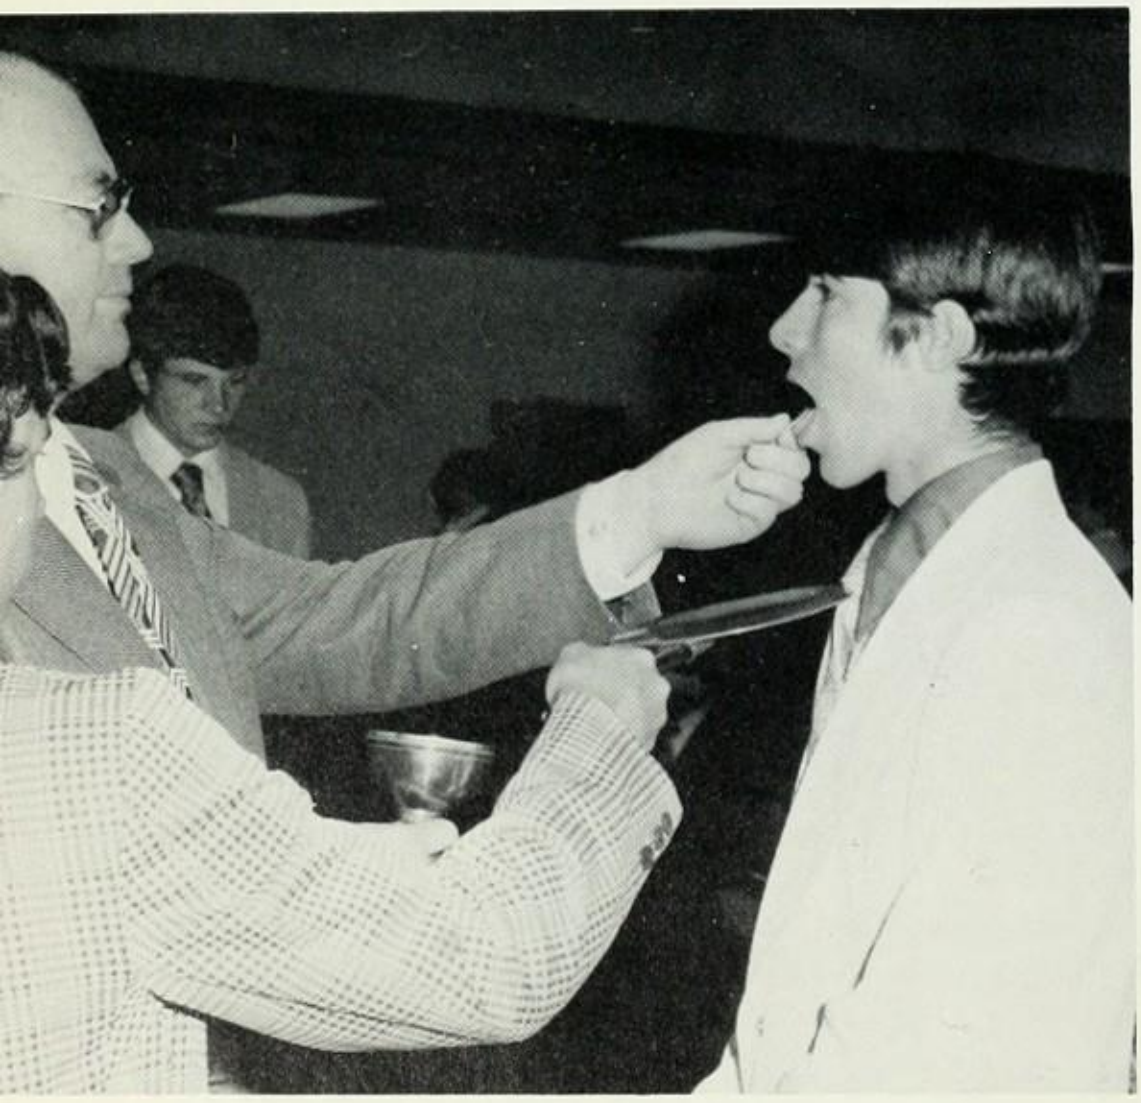
Even though the Friday Masses were abandoned, there were numerous Masses for students to attend. There were monthly Masses held on First Fridays for students to more conveniently participate in the Mass. During Lent, various theology classes sponsored masses in an attempt to allow for a more gracious Lenten season.

As in the past, a singing group headed by Brother Arthur and accompanied by guitarists Jim Grosch, Louis DiBenedetto, and Brother Sam provided the musical aspect of the celebrations. Priests from the surrounding areas volunteered their services for the Masses as celebrants and the Mass Committee, with the assistance of fellow students, set the arrangements for the masses.



RIGHT: At a student Mass in the cafeteria, Brother Eldon distributes Communion to sophomore Joe Kelley.

BELOW: Brother Brendan gives Communion to junior James Ruiz during the Ring Ceremony.



OPPOSITE PAGE, TOP: The singing group leads students in the offertory song during an outdoor mass.

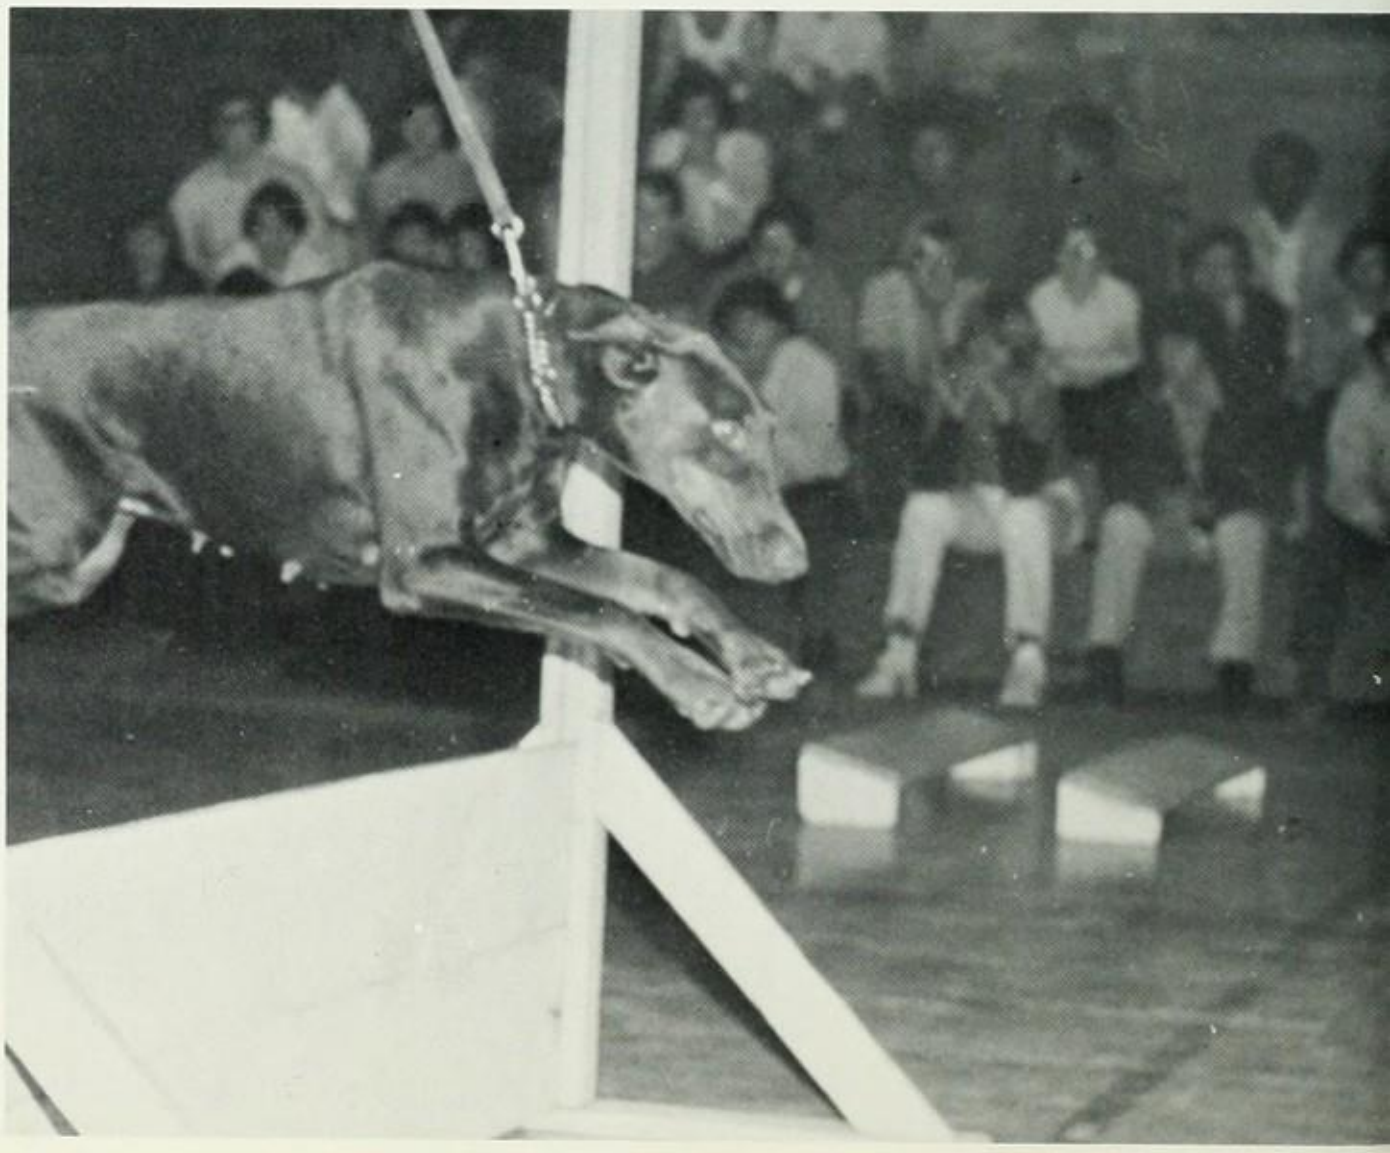
LEFT: Brother Sam, Louis DiBenedetto, and Jim Grosch strum their rendition of "Easy to Be Hard" during Communion.

BELOW: With the theme of the Mass on peace, Father Salvador Moran gives students his own ideas on the topic.

TOP RIGHT: Speaking on the history of soul and blues music is former band director Oscar Williams.

RIGHT: An obedient Doberman Pinscher heeds its master's command as interested students look on.

ABOVE: By studying bicycle chain movements, students gain valuable knowledge in repairing bicycles.



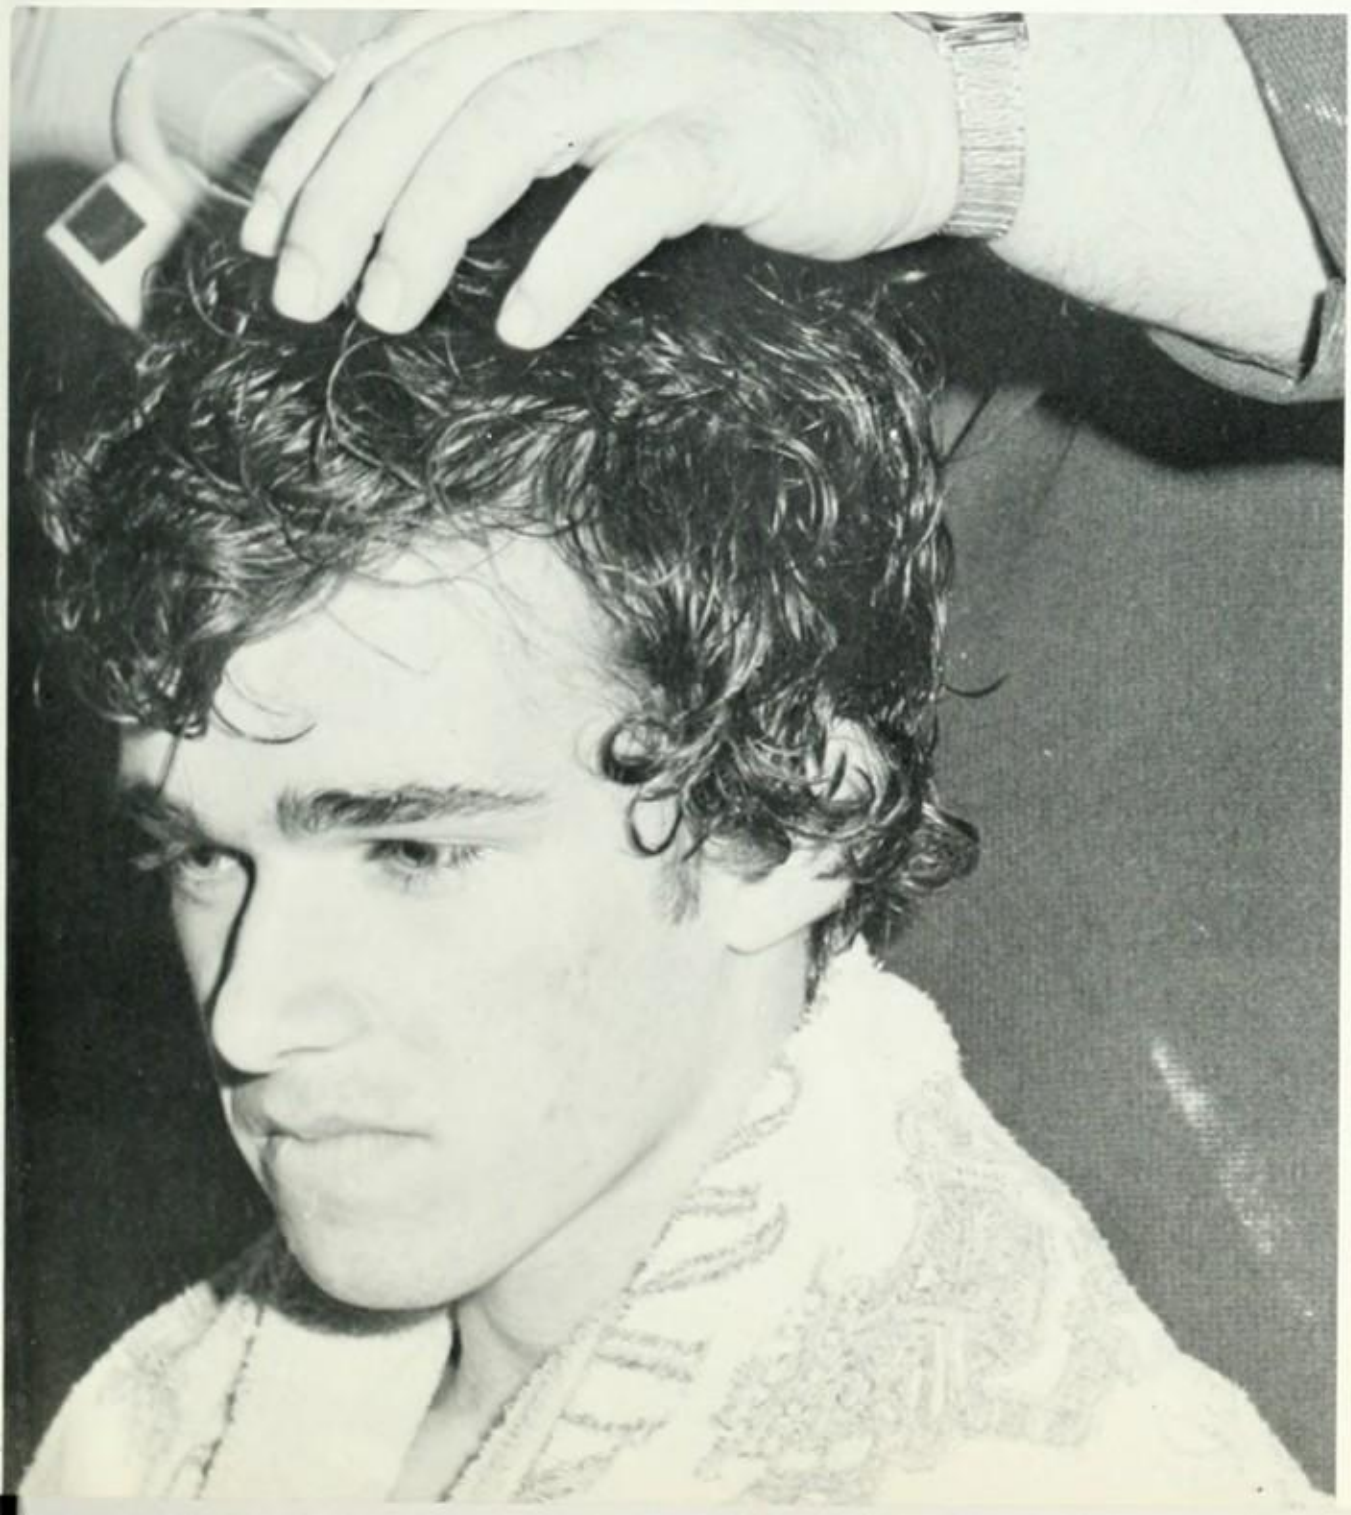
Students Encounter New Educational Experiences

In order for the students at CHS to become more familiar with diverse fields of interest, March 26 became the first "Mini-Course Day" as the student body participated in a one-day elective program.

Nearly 30 "courses," ranging from auto checkup and bass fishing to the occult were offered. Some faculty members, such as Brother Brenden, the gourmet cook, provided their expertise; most speakers, however, came from the local community.

Most courses began with an informal lecture and demonstration, followed by a brief question and answer session. Some students chose a full-day field trip to either Angola or Louisiana Training Institute.

Speaking live on "Topic," WJBO's discussion program, Brother Donald Delaune, coordinator of the mini-course program, Mr. Pat Kennedy, Greg Brandao, and Mike Bailey discussed the mini-course day philosophy and selections with disc-jockey Phil Oakley on February 19.



LEFT: Volunteering his locks for the hair-styling course, Mike Brocato receives a free shampoo.

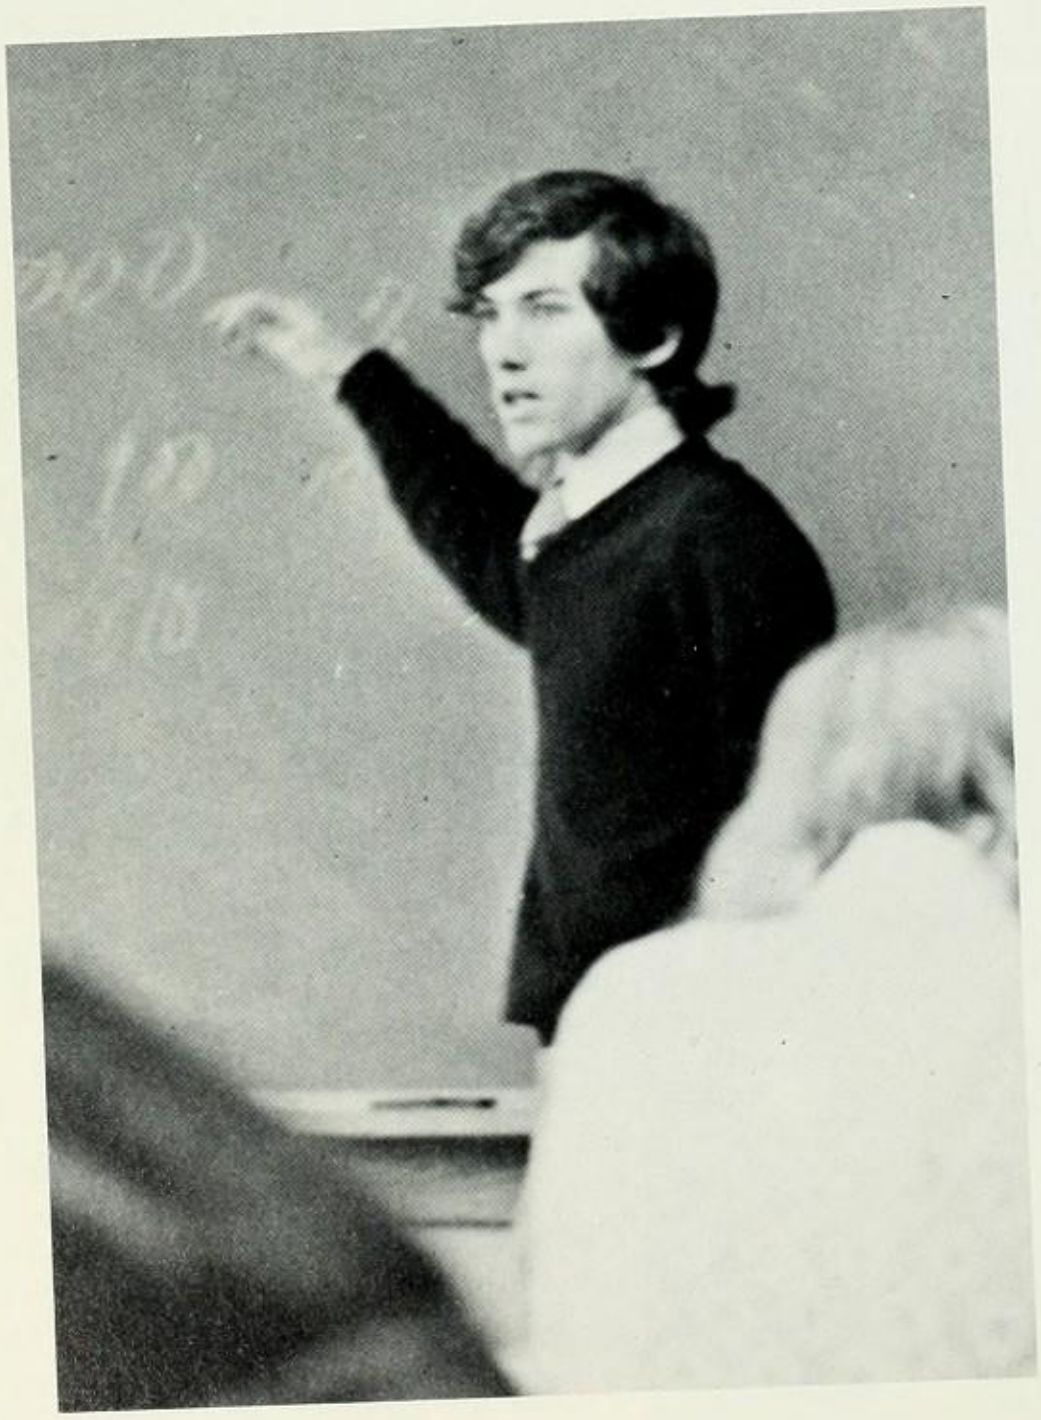
TOP: During his course in gourmet cooking, Brother Brenden reaches for an egg to further enhance his recipe.

Language And Business Departments Expand

In an attempt to acquaint students with the culture, philosophy, and history of France and Spain, the foreign language department supplemented the ALM program already in use with maps, tapes, and movies of the two countries.

The department also made more extensive use of language tapes and tape recorders in order to improve comprehension.

The business education department gave students a first-hand look at the business world with numerous field trips. A local television station, a seminar at Holiday Inn, and a visit stock exchange office were some of the places visited by the various business classes.



BELOW: During a field trip to a local television station, business education students intently study a teletype machine while their speaker/guide describes the device.

BOTTOM LEFT: Mr. Didier reviews a homework assignment with students in his Business Principles and Management class.

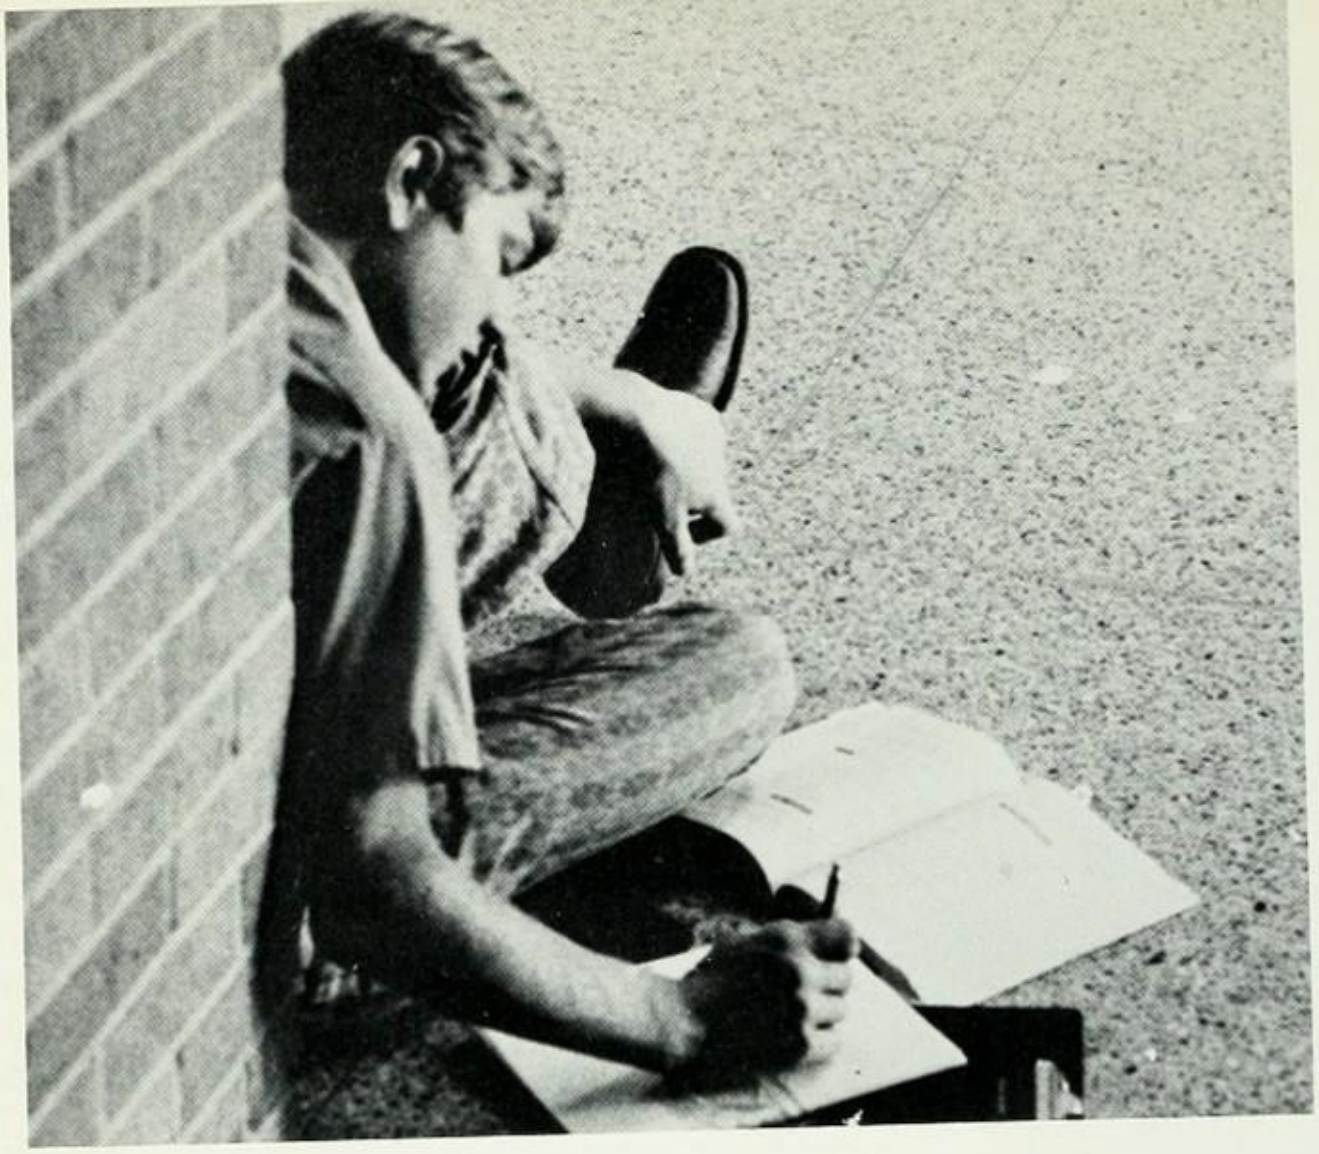
BOTTOM LEFT: Students climb the stairs to their makeshift classroom in an unused room in the Brothers' Residence.

LEFT: During a Spanish II class, Brother Gunther answers questions from students inquiring about the previous day's quiz.



Math Department Expands To Seven

Headed by Bro. Ronald Talbot, the Mathematics Department underwent many changes including the introduction of new teachers and numerous modern methods and courses.

Since Bro. Ronald accepted the new office of assistant principal of student discipline and discontinued teaching during the year, the department enlarged with four new members. These were Mr. John Hornsby, Miss Yvonne Rabalais, Bro. Herman Boland and Mr. Robert Smith.

The department added Advanced Algebra II and Modern Cultural Math to the growing math course selections. Advanced Algebra II was designed for those students with a high ability in mathematics while Modern Cultural Math attempts to develop an understanding of mathematics to those students who had difficulty in previous math courses.

Mrs. Gerry Vidrine began an "Individualized Learning Program" in her eighth grade math class. This is to allow the students to progress at their own rate under the guidance of Mrs. Vidrine.

In March, under the guidance of Mr. Hornsby, CHS entered the newly organized Baton Rouge Equations League, modeled after a similar program in New Orleans. Following a six week program, the team captured first place in overall competition. Senior Alvin Himel won the league's individual honors with the highest personal score.

P. E. Dept. Acquires New Gym Equipment

With gymnastics as a new foundation for classes, the physical education department, to properly orient students with gymnastic fundamentals, purchased various gym equipment for students to work with.

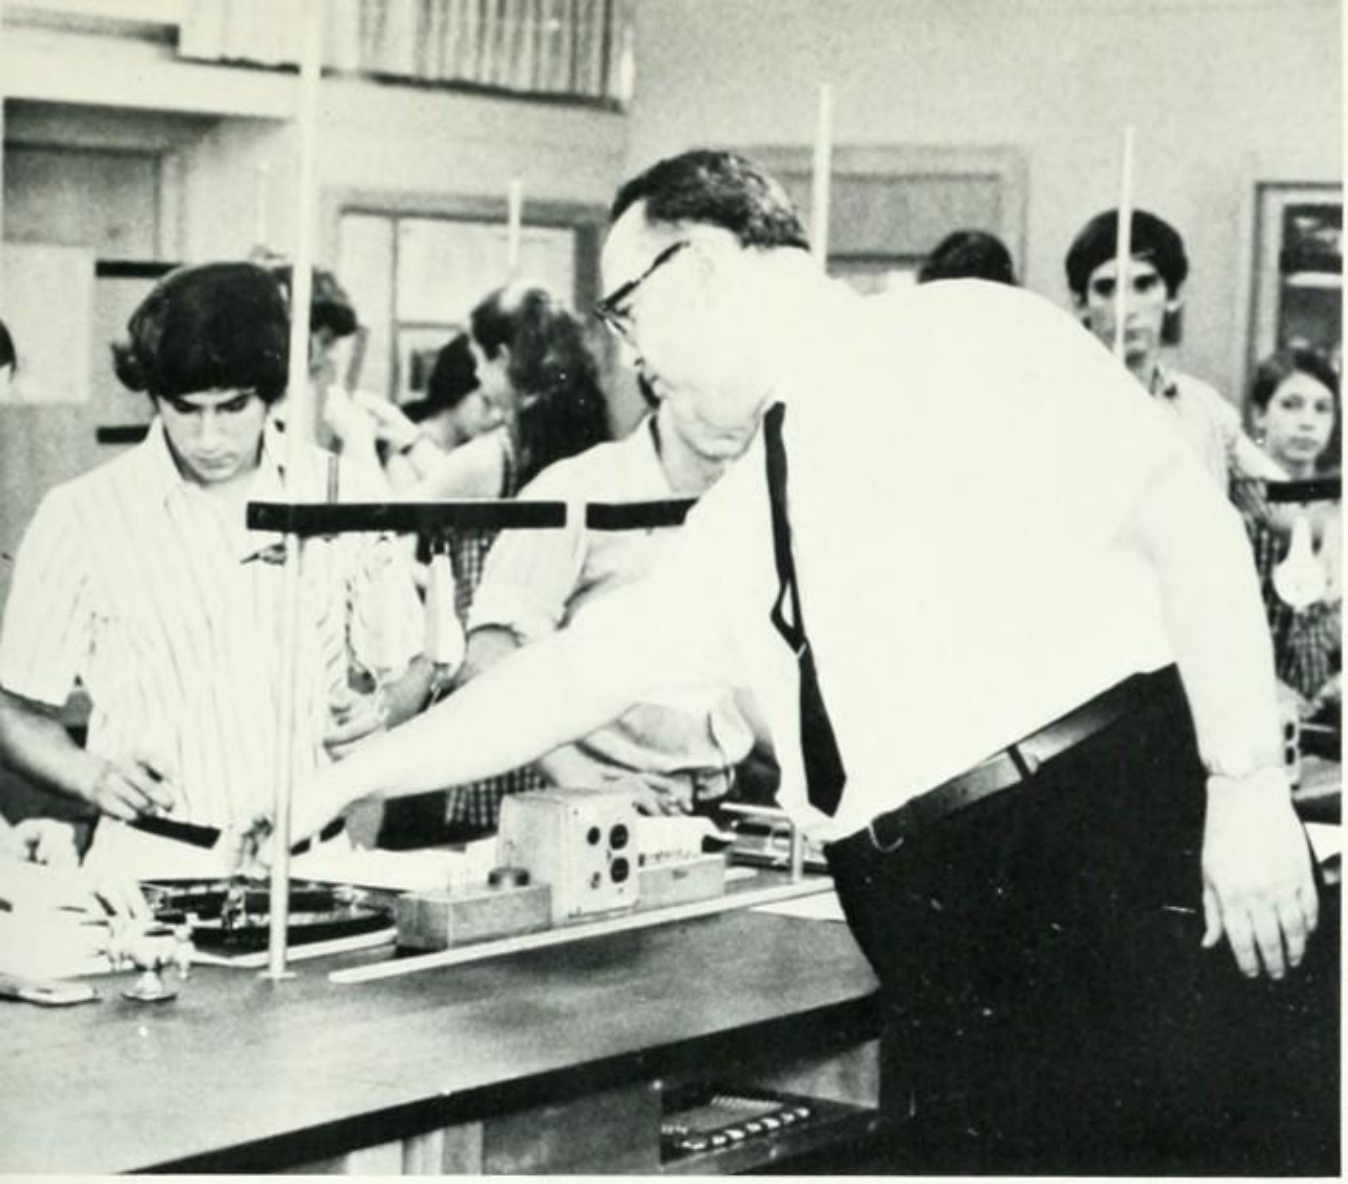
The new equipment bought was a sidehorse and parallel bars. Students were taught on the sidehorse reversals as well as mounts and dismounts. They were taught kicks on both the sidehorse and the parallel bars. Some P.E. teachers required each student to combine his skills into a routine. Although few students were very good on the equipment at first, most of them did develop the basic gymnastic skills.

In addition to gymnastics, students also participated in football, basketball, softball, track and field, soccer, volleyball, and on rainy days, wipe-out and crab soccer.

Addition Of Maps Expands Science Lab

The Science Department, in its attempt to continually improve various lab rooms with new equipment, added several topographical map collections to the physics room for the Earth and Space Science classes. Department head Brother Gordian pointed out that with the gradual expansion of the map section of the Science Department students discovered many various geographical features discussed in the Earth and Science textbooks.

Experimentation was again the main concern in all science classes. Whether it was analyzing rocks in Earth and Space Science, dissecting frogs in Biology, generating oxygen in Chemistry, or constructing radios in Physics, students learned basic experimental procedures.



FAR LEFT: Carefully examining their molds for Biology are Mark Starring and John Jones.

LEFT: Brother Gordian informs Rory Lato of the proper way to check the specific gravity of water.

Band Repairs Practice Room

With the assistance of a new band director, Mr. Dennis Vellier, the CHS band, as one of its activities, renovated the Band Hall in an effort to create a fresher atmosphere during their sessions. By selling Christmas cards, the band members were able to raise $250 for the project, which included panelling, repainting, and revarnishing the Hall and its equipment.

Included in the band's co-curricular activities was the All-Parish band auditions, in which eight students participated. Making the All-Parish Band was Wiley Brown on the oboe with Roy Beatty as an alternate on the drums. Wiley was also elected to the All-State Orchestra.

Fourteen students were sent to participate in the Solo and Ensemble Festival, held March 1 at LSU. In addition, the band made its annual concert appearance at the Mothers' Club Fall Festival. It also operated a bakery booth at the Wedge Kyes Basketball Tournament.

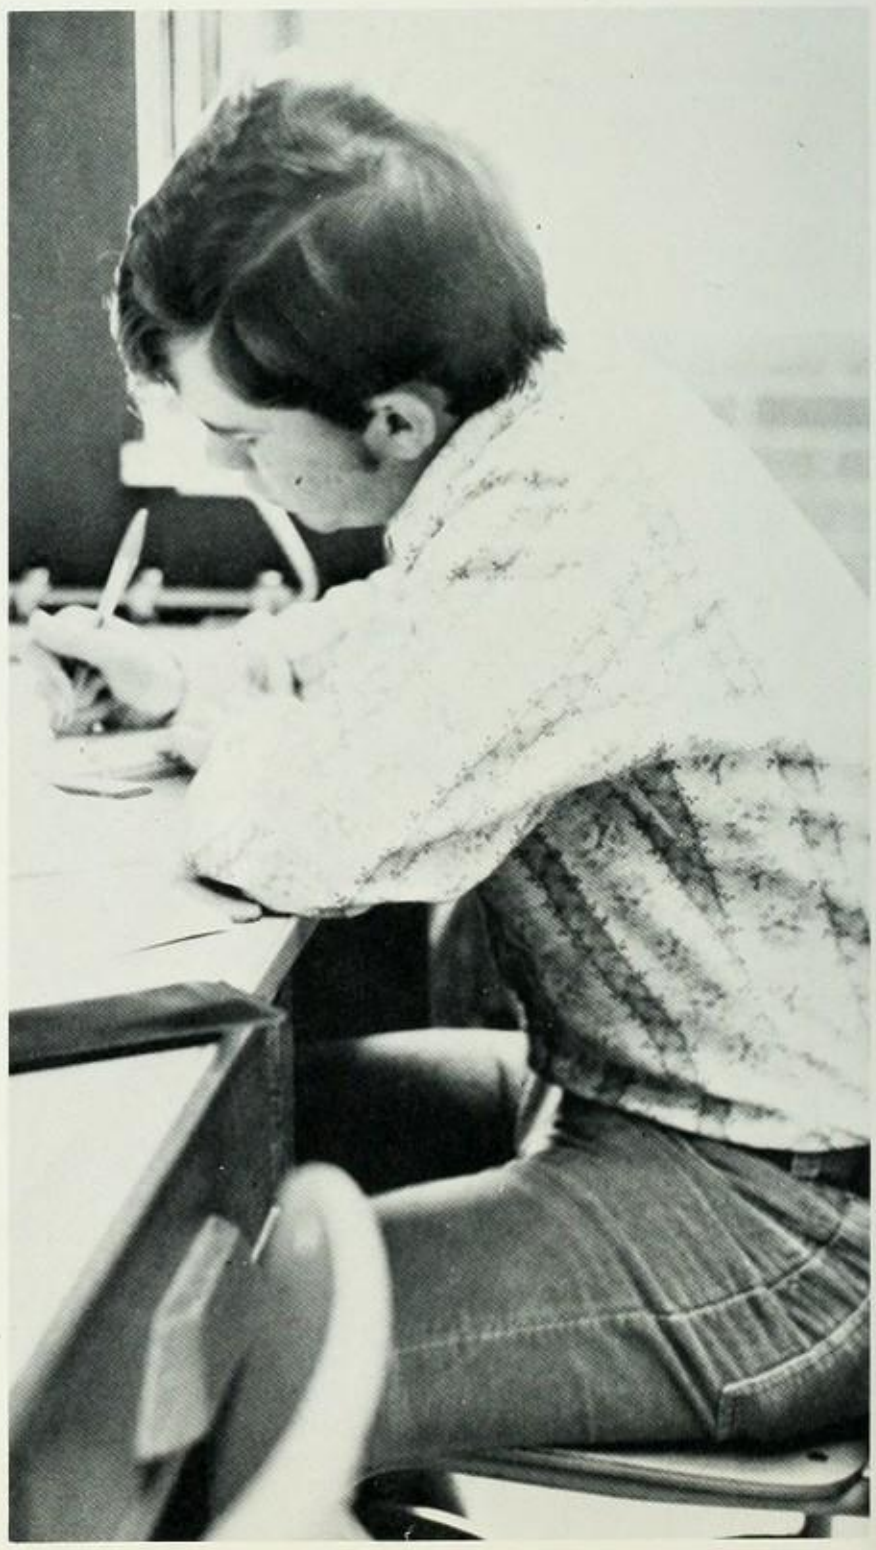
English Dept. Moves To Elective System

Undoubtedly, the most pronounced innovation in the English department for the 1972-73 school year was the elective system for the juniors and seniors.

The upperclassmen had a wide range of semester courses. Creative Writing, Journaliam I and II, Man and Nature, TV Appreciation and Science Fiction, Directive Reading, Independent Study, Short Stories, Drama, and Individualized Reading.

Senior Greg Brandao was named a 1972 runner-up in the National Council for Teachers of English's annual Achievement Award competition.

Field trips and speakers were common in Bro. John's Man and Nature course as well as Bro. Donald's Journaliam courses. On several occasions Bro. John and some of his students were able to take canoe trips down the Amite and Comite Rivers.



FAR LEFT, TOP: Discussing the books which they were required to read over the summer are Mike LeBlanc, John Barber, and Mark Verbois.

Social Studies Require Term Papers Projects

Preparing students for college term papers and projects was the concern of the Social Studies Department during the 1972-73 school year.

The department placed important emphasis on the seniors as department head and American History teacher Mr. Pat Kennedy assigned term papers or projects to every senior in his classes. One of the term papers' purposes was to give seniors the experience of writing something similar to a college thesis.

Other social studies classes emphasized library research in their term papers. For example, Brother Herman's Civics classes were allowed to use the school library during school time for research. Teachers also encouraged students to use the public library and the LSU facilities in research for their themes.

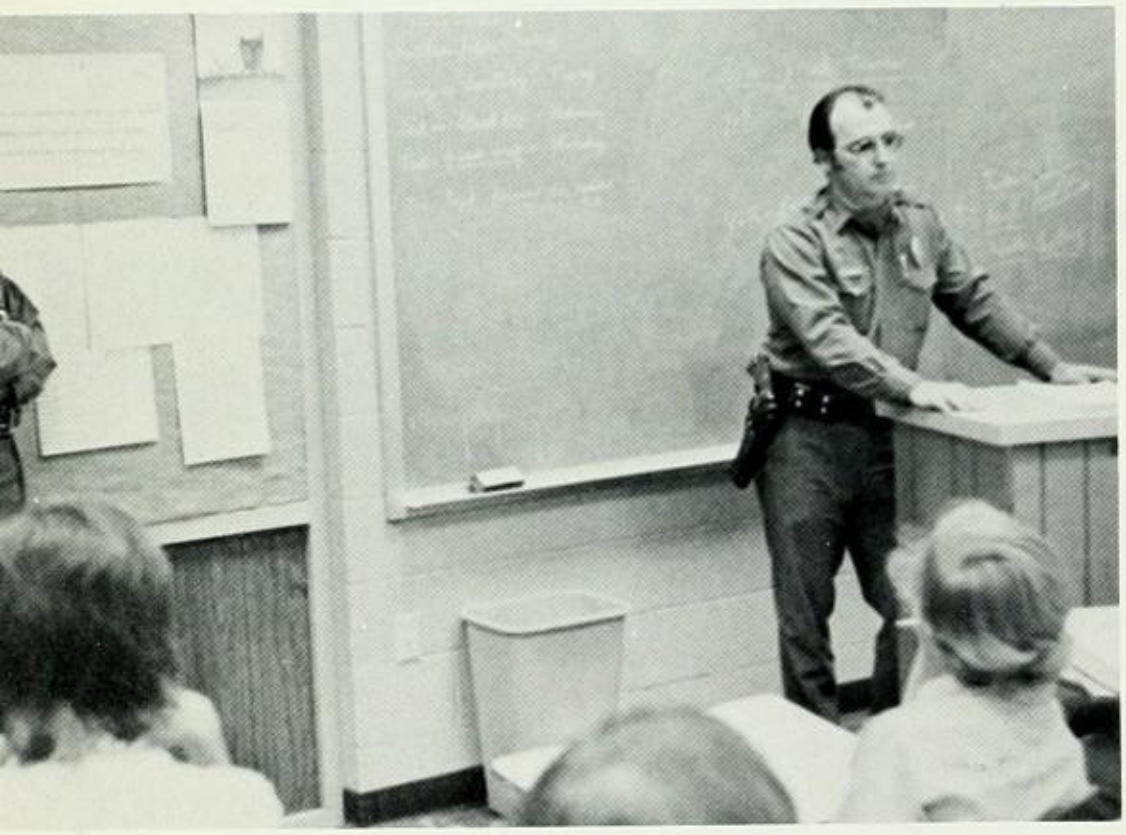
OPPOSITE, BELOW RIGHT: A Mass was held for visiting LTI students after a tour of the school.

ABOVE RIGHT: Freshmen show their fantastic canoeing ability at Camp Avondale where Theology campouts were held.



New Study Program Enhances Theology

The Theology department began an entire new four-year program of studies. New courses gave students the foundations they needed to discover the Christian values.

The new program offered full year courses for freshmen and sophomores in preparation for the new semester elective courses for juniors and seniors. The first and second year theology courses emphasized the personal worth of the individual and challenged students to compare their values to those given by Jesus Christ.

During the spring semester of the 1971-72 school year, juniors and seniors selected their courses in the elective program. This consisted of various courses such as Human Sexuality, Marriage, Modern Prophets, Comparative Religions, Violence and War, and Prejudice and Races.

Again, as in the past the theology teachers emphasized student involvement in the community. As part of the freshman theology program, campouts conducted at the Avondale Boy Scout Camp in Clinton, La., marked the weekend for interested students. Many students benefited from making contacts with teenagers at the Louisiana Training Institute, teaching at Community Advancement and playing with the children at the Baton Rouge Association for Retarded Children.

"Bear Facts" Breaks, Beta Keeps Tradition

Co-sponsoring the 1973 Honors Banquet was the main function of the Beta Club. In order to raise money for the fete, the club again sold popcorn at lunch and at basketball games. However, the club was forced to buy a new machine at the beginning of the school year to replace their old model. A loan of $250 from the Student Council enabled the club to purchase the machine and with the profits from it the Beta Club was able to pay back the loan and still sponsor the Honors Banquet.

Innovation was the byword for the "Bear Facts" staff. In contrast to past years when the staff had but one editor, the '72-'73 staff had several editors rotating from week to week. The staff also solicited writings of the students on many topics as well as holding several opinion polls.

Yearbook Published Despite Small Staff

Faced with the resignation of six staff members, the already small BRUIN staff had difficulty finishing the 1973 edition of the book. The six resignations, five at the end of the school year, left only four layout designers, three photographers, and three copy writers with the tremendous task of finishing the book.

By attending a yearbook workshop at Northeast State University for a week during the summer, John Bretz, Jim Kleinpeter, Richard Selser, Ralph Stephens, Tim Tassin, David Whatley, and Jim Zietz gained valuable training and experience. Bretz, Stephens, and Whatley received trophies for outstanding layout design, while Jim Zietz took first place in the photography division.

CSMC, Chess Club Active During March

In only its second year of existence, the CHS Chess Club claimed the city championship by defeating every high school in Baton Rouge. The team compiled an amazing 84 1/2 points out of 100, with one point counting as a win and a half a point counting for a draw.

Following the Christmas break, matches were held every other Sunday in the CHS Library, until mid-March. Led by a powerful first team of Ed Madison, Perry Staub, Jim Grosch, and Mark Mese, the club routed the Lee High team in the championship match in late May. The team, searching for statewide recognition, planned a state high school tournament but before the plans could materialize they were abandoned due to the end of the school year.

The CSMC, on the other hand, though not as active in past years, held their annual Donkey Basketball Game at the CHS gym in March.

Due to its inactivity and size, the club disbanded at the close of the school year.

LEFT: Coach Barrett Murphy dribbles against student opponents during the fun-filled, CSMC sponsored Basketball Game.

TOP: CSMC President David Whatley reads the opening prayer for a Mass in the new union.

Key Club Wins First In Gold For 8th Year

For its efforts, the CHS Key Club was awarded, for the eighth consecutive year, the first place award for service in the gold division of the Louisiana-Mississippi-West Tennessee District. The club was also honored at the district convention with a trophy for second best scrapbook in the district.

Drew Louviere was elected to the position of Secretary for the La.-Miss.-Tenn. District. This was the first time that the CHS Key Club has had a member hold such a high office. Drew was the Lt. Governor of Division 8, the Baton Rouge area, last year.

In continuation of its purpose, the CHS Key Club provided several noticeable services including its annual Christmas Food Drive, collection of shirts for male patients at East Louisiana State Hospital and Sunday escort work at the Baton Rouge General Hospital.

The club also sponsored a 60 hour basketball marathon in conjunction with the U-High Key Club. The proceeds went to the Easter Seals Foundation.

LHPC Goes Co-ed; NHS Publishes Digest

Assisting other organizations and people was the main function of the Lemon Hubig Pie Club in only its second year of existence. The LHPC allowed girls from the Academy to join the club, and in doing so became the only co-ed club at CHS.

Helping the Mothers' Club, the LHPC sold many tickets for the raffle at the Mothers' Club Fair and operated a booth on the fairgrounds. In unison with the Key Club, the LHPC cleaned up the school grounds in preparation for the dedication ceremonies of the newly-constructed union and classrooms. On its own the organization sponsored the first annual LHPC Handball Tournament. The club also painted spirit posters for the football games and cleaned up houses as a money-raising project.

National Honor Society President Mike Brocato chaired a committee of three SJA seniors and three CHS seniors for the preparation of the literary Magazine BOLD PRINT. The committee began work in mid-November and the final edition of the book came out in early May.

Greasy Seniors Jive At Istrouma Rally

With cries of "You ain't nothing but a hound dog . . .", a group of seniors highlighted the Istrouma rally with a skit depicting the Indians as a greasy rock band out of the 1950's swinging with the sounds of Elvis.

The skit, produced, directed, and performed by Dorian Demery, Nelson Daly, Rusty Pesson, Greg Comeaux, Greg Brandao, Leslie Wilbert, Conrad Ledig, Peter Kadair, Eric Kennedy, Wiley Brown, Bill Kuehn and Mac Lockwood, portrayed the "Greasers'" offensive plan, the lack of deodorant, and the defense, a quick, graceful sweep of a comb across their thick oily hair.

The play climaxed when the participating seniors jived to the beat of the song "Jumping Jack Flash," stomping their feet as they sang.

Promoting such ideas as the Istrouma skit became the job of the newly formed Spirit Council. The Council, moderated by Mr. Scimeca, consisted of students from CHS and SJA interested in spreading spirit. The council also painted signs for each football and basketball game.

Council Initiates Summer Meetings

The CHS Student Council worked throughout the summer in preparation for the 1972-1973 school year. Summer bi-monthly meetings were held in order to provide the members of the Council with an opportunity to evaluate the purpose and activities of the organization and to outline business of the upcoming year. The council's activities included the reorganization of freshmen oppression week, revisions in the council's constitution and the printing and distribution of football and basketball programs.

The major project of the council was the re-surfacing of the crater-like school parking lot during the summer holidays. Social and cultural activities were also sponsored by the council such as the Homecoming Dance, Freshmen-Sophomore Get Acquainted Dance and the Festival of Living Arts.

Although the CHS Student Council provided many services to the school, its primary goal was the effective representation of the students to the faculty. To accomplish this, the council chose two of its members to participate in faculty meetings to bring to the attention of the teachers the needs of the student body.

Cross Country Team Claims State Crown

Climaxing an undefeated season, the CHS cross country team captured the cross country state championship by defeating 26 other high schools, including defending state champion Brother Martin High of New Orleans. Not since 1952 when the Bear's baseball team won the state title had Catholic High won a state championship.

Led by seniors Greg Haase and Delario Eames - both consistently among the top ten finishers - the team smashed all opponents in local meets in the fall and won all regional meets except one in which they tied Brother Martin for top honors. In the course of the season, the Bears' long distance runners defeated every other state champion team in the other classifications.

Head Coach Pete Boudreaux, who had coached the members of the team since the summer of 1971, complimented the team for the pride they put back into the athletic department at CHS.

Improved Diamond Brings Home Games

Through the tremendous work of Coach Butch Cheairs and the help of the P.E. classes, the new baseball diamond was completed in time for the 1973 season. The new diamond not only enhanced the appearance of the school grounds but also provided the team with an excellent field for league play.

The fence enclosing home plate was expanded upwards and outwards to protect cars in the parking lot. The new diamond was also raked, groomed and weeded each week to provide the team with the most excellent playing conditions possible.

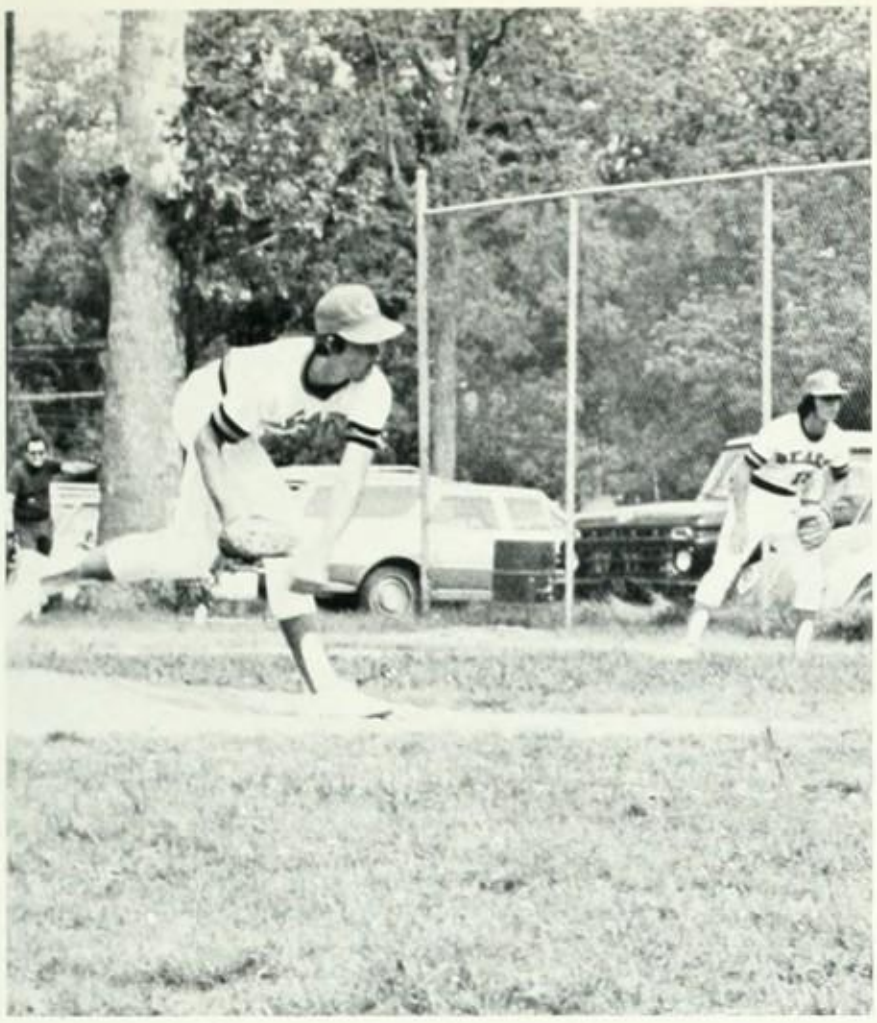
Didier Captures Dual Baseball Presentations

At the May 6th Spring Sports Banquet Gary Didier was awarded with two baseball trophies for the highest batting average on the varsity squad and the Most Valuable Player Award. Keith Constantino was presented with the Golden Glove Award for the highest fielding average on the team.

Didier's season's batting average of over .400 in sub-district play plus his remarkable versatility on the field defensively led the way to his two awards. Costantino's excellent record of only one error all season long, giving him a fielding percentage of well over .900, cinched his winning the Golden Glove Award.



CHS Baseballers Get New Pitching Machine

The CHS baseball squad and coaches were graced with a new automatic pitching machine this year, thus relieving the coaches of the tedious job of throwing for batting practice and batters from worrying about wild pitchers.

The new machine was utilized by all squads, primarily the varsity. Usually the JV or freshman teams practiced at Perkins Road leaving the machine to the varsity. Rain did not hinder batting practice since a batting cage could be set up in the gym using the machine and not risking injury to the pitcher, as in the past.

Golf League Re-organized

In contrast to past years of poor organization and sporadic matches, the CHS golf team participated regularly in district matches. With the expanded group of high school teams and greater emphasis on the sport more students took part in the golf program at CHS.

Under the guidance of Coach Murphy, the team finished third in the Regional Golf Match held at LSU. For its efforts in the Regional Match, the golfers received an invitation to compete in the State Championship Match. Led by Tico Hoffman and Hal Dupuy, the team successfully captured eleventh place of thirty-four teams.

Tankers Capture 3rd In City, 11th In State

In only its second year of existence, the CHS swim team captured third in city competition and eleventh in the state meet. Coach Paul Hebert, a former swimmer at CHS, along with LSU swimmer Bruce Redman, brought the CHS team to victories over Baton Rouge High, University High, Louisiana State School for the Deaf, Broadmoor and Lee High. Only Tara and Lafayette High defeated the Bruins.

Coach Hebert expressed optimism for future seasons with six of his eight lettermen returning including star swimmer Mike Nelson.

Track Team Has Best Season Ever!

Consistent point scoring and top team placing in meets proved to be the characteristics of the Catholic High 1973 track team. Head Coach Peter Broudreaux summed up the team's overall performance saying, "This year's team would have to be considered as one of the best teams the school has ever had."

Following the first place finish in the state cross country meet, the track team prepared for the coming season with daily running for the trackmen and individual practice for the fieldmen. The efforts placed in track practice through the winter months of January, February, and March greatly benefited the team as it placed first in the Wildcat Relays and in the Golden Bear Relays, and second in the Indian Relays and in the Rebel Relays. Team scoring averaged 52 points a meet, with 32 their lowest point total and 72 their highest.

Tough opponents such as McKinley, Scotlandville and Opelousas kept the Bears from placing higher in meets.

Distance Men, Hurdler Lead Team In Meets

Catholic High's 1973 track team relied on the steady performances by long-distance runners Greg Haase and Delario Eames, and hurdler Greg Comeaux to place high in team scoring. Greg Haase ran both the mile run and two-mile run in eight meets, winning fourteen races. Officials voted him the Outstanding Trackman at the Indian Relays and Golden Bear Relays. In the NORD Meet of Champions, which invites only the most outstanding trackmen in the state to compete, Greg placed second in the two-mile event. He broke three CHS track records, the mile run (4:28.0), the indoor two-mile run (10:08.0), and the two-mile run (9:41.5).

Delario Eames, Greg Haase's teammate in the two-mile run, was overshadowed by Haase, but finished second or third behind Haase in most meets. Eames placed fourth in the NORD Meet of Champions, and his best run in the two-mile (9:42.8) also broke Catholic High's track record. Both Eames and Haase signed letters of intent to grant-in-aid scholarships from Louisiana Tech.

The third trackman who led the team broke records in the high and intermediate hurdles at CHS. Greg Comeaux, who was the team's top scorer, could have run the hurdles, the sprints, the relays, and high jump, but concentrated his efforts on the relays and the hurdles. Voted outstanding trackman at the Rebel Relays, Comeaux broke his own records of last year in the high hurdles and intermediates with times of 14.3 and 39.3, respectively. He placed third in both events at the NORD Meet of Champions.

Long Distance Men Place In State Meet

For the first time in four years, the CHS track team had two members place in the state meet held at the LSU Bernie Moore Track Stadium. Greg Haase and Delario Eames finished second and third behind Perry O. Walker's Bryan Murray in the two-mile run.

Catholic High, one of the strong contenders for the top team honors in district, placed fourth in the district meet. Greg Comeaux, Greg Haase, Delario Eames, Will Dakmak, and the 440 relay team consisting of Greg Brandao, Kevin Davidson, Davis Rhorer, and Mark Trepagnier, scored points for the Bears.

Comeaux, Haase, Eames, and Dakmak represented Catholic High at the Regional Meet in Alexandria. Greg Haase and Delario Eames placed first and second in the two mile event. Greg Comeaux finished third in two events and Will Dakmak finished fifth in his events, respectively.

Boosters Cheer, Bruinettes Shake

Reorganized only a few weeks before the 1972 football season, the new CHS Boosters screamed, clapped, and cheered on the football and basketball teams during their seasons.

This 75 member squad was the first since the 16 member one in 1968.

The talented CHS Bruinettes continued to perform for the halftime activities at the football games. They dazzled the spectators with their choreography and dancing to such popular songs as "Spinning Wheel" and "Day by Day."

This year they also appeared at home basketball games during halftime for the first time ever.

The Bruinettes were moderated by Mrs. Gerry Vidrine; the president was Annelie Goodwin. The Boosters were moderated by Miss Yvonne Rabalais; their leader was Mollee DiBenedetto.

Cheerleaders Win Superior at Clinic

At the USL summer cheerleader clinic, the CHS cheerleaders won superior ratings and an excellent rating during five days of contests. The squad, selected in late April, practiced most of May and June for the July clinic.

From the clinic, the cheerleaders learned various new cheers and experimented with a few during football pep rallies in the fall. The cheerleaders also attended most basketball games to lead the students in backing the Bears.

Cheerleader elections during April ran slightly different this year as both students from CHS and SJA attended cheerleader tryouts and voted for the cheerleaders. This gave the Academy girls a chance to voice their approval of next year's squad.

Musical Satire "Trial By Jury" Presented

A rendition of "Trial by Jury", a Rogers and Hammerstein musical satire of the early English law system, highlighted the CHS-SJA combined chorus' activities for the year. On March 23 and 24, the operetta for the year, took place at the Catholic Life Center with two productions a night each lasting 45 minutes.

Casts for the productions remained basically unchanged, except for a few major roles changing from night to night. The four productions were directed by Mrs. Penny Hallman.

For the first time a CHS-SJA Freshman Concert was organized. The newly formed group participated in two concerts during the year, the Christmas Concert and the Spring Concert. An SJA Freshman Chorus had been organized in the past; however, this year was the first year the boys participated.

One large activity of the year was the painting of backdrops for the Christmas Concert. Many students from the choruses volunteered their services for the project, which took almost the last day to completely finish for the concert date.

Mother's Club Fair Nets $11,500

With net gains as high as $11,500, the annual Mothers' Club Fair on October 15 became a tremendous success. Mrs. Joan Brassett was the festival chairman, with Mrs. Beverly Bourdier and Mrs. Gay Nell Eckert assisting her.

Mrs. Polly Verges, President of the Mothers' Club, presented Brother Donnan, principal of CHS, a check for this amount for school purposes.

The annual Christmas Party was held in the Union on December 20. At the Party, the club presented personal checks to the Brothers' for Christmas.

Mr. Robert Lyle and Mrs. Susan Schott were named king and queen of the Mardi Gras Ball held on February 24. Mrs. Jean Kayda and Mrs. Catherine Prokop co-chaired the event.

Other projects performed by the club were hosting the hospitality room during the Wedge Kyes tournament, serving the potluck supper that honored the seniors' mothers, and selling prints of Louisiana historical scenes to provide art work for the new library.

Men's Club Sponsors Barbeque, Banquets

Continuing in their service to Catholic High, the Men's Club again sponsored their annual Barbeque and the two sports banquets.

Under the leadership of Lee Whatley, president, the barbeque was a huge success serving over 1300 steaks. All the money raised at the dinner went back to the school.

Standing room only crowds earmarked the Football and Spring Sports banquets. Again success was the byword as the packed houses appeared to have thoroughly enjoyed themselves.

Pot Liquor Highlights CHS Homecoming Dance

Excitement reigned supreme at Catholic High's two biggest dances of the year, the Homecoming Dance and the Key Club Ball.

The 1972 Homecoming Dance was especially memorable to those who attended as the nationally known Pot Liquor played for the second half of the night at the Catholic Life Center. Pot Liquor, a band specializing in what lead singer George Ratzlaff calls "Louisiana rock 'n roll," played such great hits as "Waitin' for Me at the River," and "Riverboat".

During the break between the first band, Druid (led by CHS graduate Dickie Harris), and Pot Liquor, the 1972 Homecoming Court was presented.

During late January, students celebrated the end of semester exams at the annual Key Club Ball. The eight-man group Mammoth provided the music. Screaming sighs of joy became a characteristic of this dance as Miss CHS and her court were presented.

Ring Ceremonies Held For Seniors '73, '74

Contrary to the traditional presentation of senior rings at the beginning of the school year, rings were presented to this year's juniors after senior graduations; therefore, Catholic High held two ceremonies, one in September and one in May.

The first ceremony, held at the Catholic Life Center, honored the seniors of 1973, with the Holy Sacrifice of the Mass and the ring presentations. Father Sidney Becnel, who celebrated the Mass, in his sermon expressed hope that the 1973 would search further into a solid future from experience gained in their final year at CHS.

Siding with the many people who desired to see the ring ceremony held at the end of the school year, Brother Donnan decided to hold the senior ring ceremony for juniors at the end of the school year. On May 17, Father Pat Mascarella celebrated Mass and presented the rings to the juniors. The ceremony was held during school in Catholic High's new union amidst students, parents, and friends.

CHS Begins Season With Tough Defeat

A large turnout of Grizzly fans viewed an exciting, but disappointing loss as the Bears fell to Scotlandville, 6-0, in the jamboree game.

With less than two minutes remaining and Scotlandville leading, quarterback Emmett Vollweider passed for three first downs, giving the Bears a first down on Scotlandville's four. Although 42 seconds remained in the game, CHS had no time outs left and were stranded on Scotlandville's five with time running out after two unsuccessful attempts to score.

Following the jamboree game, the Grizzlies could do no better as they lost to Capitol, 31-8, and to Redemptorist, 35-7. Both times the opponents' quarterbacks, Capitol's John Chase and Redemptorist's Mike Caillais, proved to be the major factor in leading their teams to big victories.

Team Defenses Shine In Bears' Next Three

Defense was the most important factor in Catholic High's next three contests as they battled to tough losses to Broadmoor, 7-0, Istrouma, 9-0, and Glen Oaks, 43-7.

Broadmoor's Buccaneers, a lopsided favorite over CHS, confronted a tenacious Bear defense. The Bucs did not sustain a good drive until a third quarter 90-yard TD drive. The Bears followed with a 71-yard drive, only to be halted two yards from the goal line by Buc defender Armand Mayeaux's game-saving interception.

CHS' annual game against old-time rival Istrouma pointed to defense as the key to Istrouma's win. The Indians recovered five Bear fumbles, and allowed CHS to penetrate no further than to Istrouma's 38-yard line.

After two close losses, Catholic High's morale appeared to be down, as an overpowering Glen Oaks football team rolled over the hapless Bears. Glen Oaks' defense continually gave its offense good field position to score from while containing the sluggish Grizzly offense.

McKinley, BRHS Fall As CHS Gets Two Wins

With a determined offense and a sometimes stingy defense, the Golden Grizzlies played their best in sub-district play, losing a close game to Lee High, but winning over McKinley and Baton Rouge High.

As pointed out by Morning Advocate sportswriter Ted Castillo, the Bears, a decided underdog against powerhouse Lee High, gave the Rebels a tense night before bowing, 20-17.

A lifeless offense ended a point drought with the pass-catch combination of quarterback Emmett Vollenweider and Buddy Hoffman accounting for two touchdowns.

Tasting victory after eight straight losses, Catholic High's defense, led by sophomore defensive standout Gerald Barber, let a first period touchdown stand as the needed points for their first win of the season, defeating McKinley, 6-0.

In the CHS 1972 Homecoming game, the Bears won their second straight contest, whipping the BRHS Bulldogs, 21-6. Again the combo of Vollenweider to Hoffman scored two touchdowns, following two set-up passes from Vollenweider to split-end James Kilshaw.

The Bruin's final touchdown came in the final seconds of the game as giant Mark Staid recovered a deflected Bulldog pass and raced 30 yards to paydirt.

Close Victories Mark Early Season Games

Habit-forming was the word during pre-district games as the Bruin basketball team had a habit during early season games of winning by close margins. In fact, six games were one-point victories for the Bears.

Most memorable of these one-point victories was the 56-55 win over defending state champ Woodlawn High of Shreveport. Attempting to avenge past defeats of Catholic High teams by Woodlawn, the Bears forced another strong team this year and fought for the lead and its life many times during the contest. The outcome was not decided until a last second shot by Greg Brandao gave the Bears the win.

Bears Place #2 In Sub-District

Despite young, inexperienced players the CHS basketball placed in a tie for second with BRHS in the sub-district behind champion McKinley High.

Led by tight defense and the stellar performances of sophomore guard Brent Boyd, the Bears beat Lee High, East Ascension, and Tara twice while losing twice to McKinley and Baton Rouge High. Although the team was fairly short compared to past teams, the Bears' defense became famous for its quick guards, notably Tommy Losavio and Greg Brandao. Brent Boyd kept the team's offense moving with a 20-plus scoring average.

Following sub-district play, the Bruins won a playoff game against BRHS to give the team a berth in the district playoffs. The one-point victory vaulted the team into the playoffs at the Assembly Center, where archrival Scotlandville revenged their defeat in the Wedge Kyes Tourney by defeating the Bears 96-83.

CHS Roundballers Win Wedge Kyes Tourney

For the second year in a row, the CHS basketball team won the Wedge Kyes Tournament held at the CHS gym. Disregarding the fact that they were seeded seventh in the tournament, the team beat Southern Lab 45-44, Scotlandville 50-49, and Morganza 59-53, for the title.

The first two games provided fans with plenty of excitement as the team came from behind for two one point victories. The first marked clutch performances by the starting five to erase a Southern Lab eight-point lead with four minutes left. A shot by center Scott Hullinger as the buzzer sounded gave the Bears their margin over the Scotlandville Hornets.

Although the press heralded Morganza's shooting star Vaughn Sutherland, Catholic High's tenacious defense held him to 10 points below his average of 35 and was the key to Catholic High's win. Catholic High's offense also sparkled with the hot outside shooting of Greg Brandao, Tommy Losavio and James Kilshaw.

Young Talents Boost CHS Wrestling Team

Undefeated in 10 meets during city dual competition, the CHS wrestling squad compiled an 11-1 overall record for the season, with help from many good new wrestlers.

New squad members, as well as young experienced wrestlers, proved their ability this season with many significant achievements. Juniors Danny Frey and Billy Bourdier captured Individual City Champ titles in the 112 and 98 lb. classes, respectively. Bourdier led the squad in pins with 15. Sophomore Bobby Brown decisioned 98 lb. state champ Scott Oswald of Brother Martin 7-6 in a post-season tournament at Lee High. First year wrestler Mike Niseing took second place in the 98 lb. class in the City Meet, aiding CHS to its second place finish.

"I felt like the 1972-73 season went extremely well," reminisced Coach Mac Faul. "I believe next year we will be a strong contender for the city title."

Athletes Recognized At Sports Banquets

As in past years, CHS' best athletes were awarded at two fetes, first the CHS Football Banquet and second the CHS Spring Sports Banquet. The first covered only football but the second accounted for basketball, baseball, track, wrestling, tennis, golf, and swimming. Both were held at the Catholic Life Center Banquet Hall.

Presentations at the Football banquet included the Golden Grizzley Award, Most Valuable Player, Outstanding Defensive Back and Lineman, Outstanding Offensive Back, Most Spirited and Scholastic, and Co-Captain Awards.

At the Spring Sports Banquet, there were many awards. Among the roundballers, the Outstanding Defensive Player, Most Improved Player, and Most Valuable player awards were distributed. The Outstanding Trackman, Long Distance Man and Fieldman were presented to the tracksters. The Most Valuable Player Award highlighted the baseball awards, along with the Highest Batting Average Trophy and Golden Glove Award. Wrestling awards consisted of the Most Valuable Wrestler, Most Pins, and the Hardest Worker.

At both banquets letters were also awarded, as well as trophies to the junior varsity, freshmen, and eighth grade squads.

Deacon John Highlights Senior Prom Evening

A combination of heavy rock, soul, and blues was the musical atmosphere provided by Deacon John and His Electric Soul Train at the 1973 Senior Prom at the Catholic Life Center. The dance, starting slowly, picked up as Deacon John played such popular songs as "I Want to Take You Higher" and "Superstition." For the finale, the band played continuously for the last half hour.

For many, the evening started in local restaurants such as Steak and Ale and Jack Sabin's. Some couples made venturesome trips outside the city to Ralph and Kacoo's in New Roads.

Although little mention of after-parties was made before the Prom, cries of "Let's go to Plaquemine" or "Let's go to Zeke's" were heard amidst the music and talk. Some visited Broadmoor High School's Junior-Senior Prom and still found their ways to have fun. To top off an evening for some, the rising of the sun made the Senior Prom a most memorable occasion.

Graduation Exercises Held At St. Joseph's

Mass and commencement exercises for the 1973 Catholic High School Graduating class were held May 25 at St. Joseph's Cathedral.

Monsignor Stanley Ott celebrated the Holy Sacrifice of the Mass, while Father Frank Uter delivered the homily with a caution to seniors about what the future will bring.

As Brother Donnan announced the names and credits, Vicar General Monsignor Patrick Gillespie awarded the diplomas in the midst of parent, friends and the CHS-SJA choir. Following the awarding of the diplomas, Monsignor Gillespie commented that the seniors should thank their parents for the help they have given the seniors.

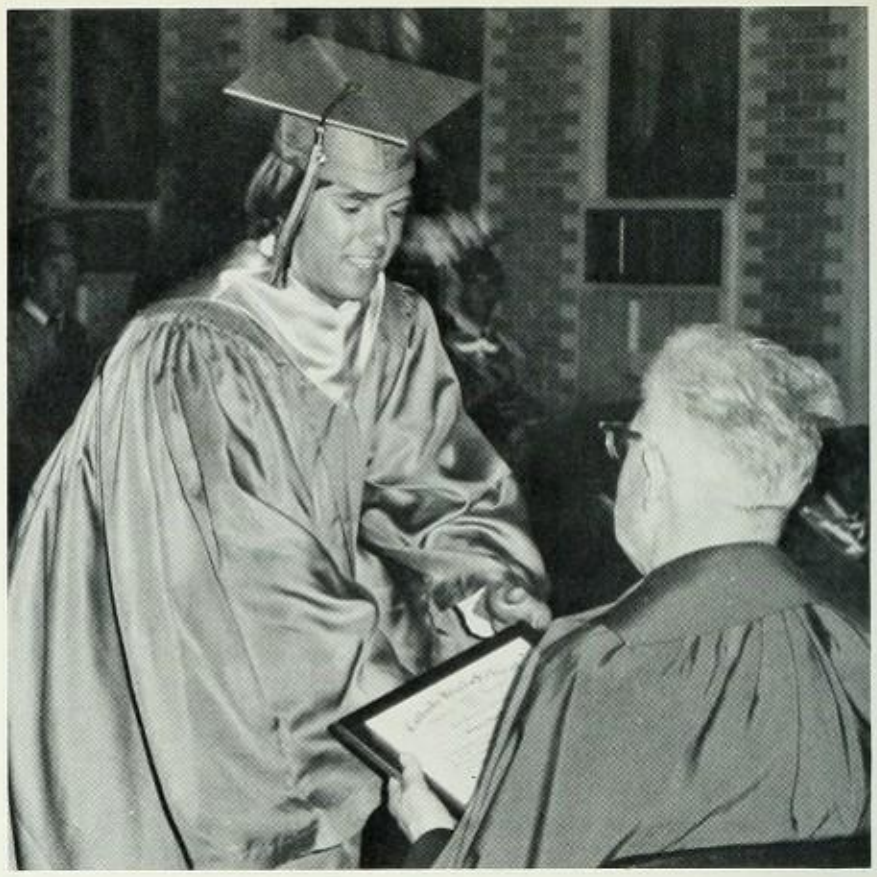
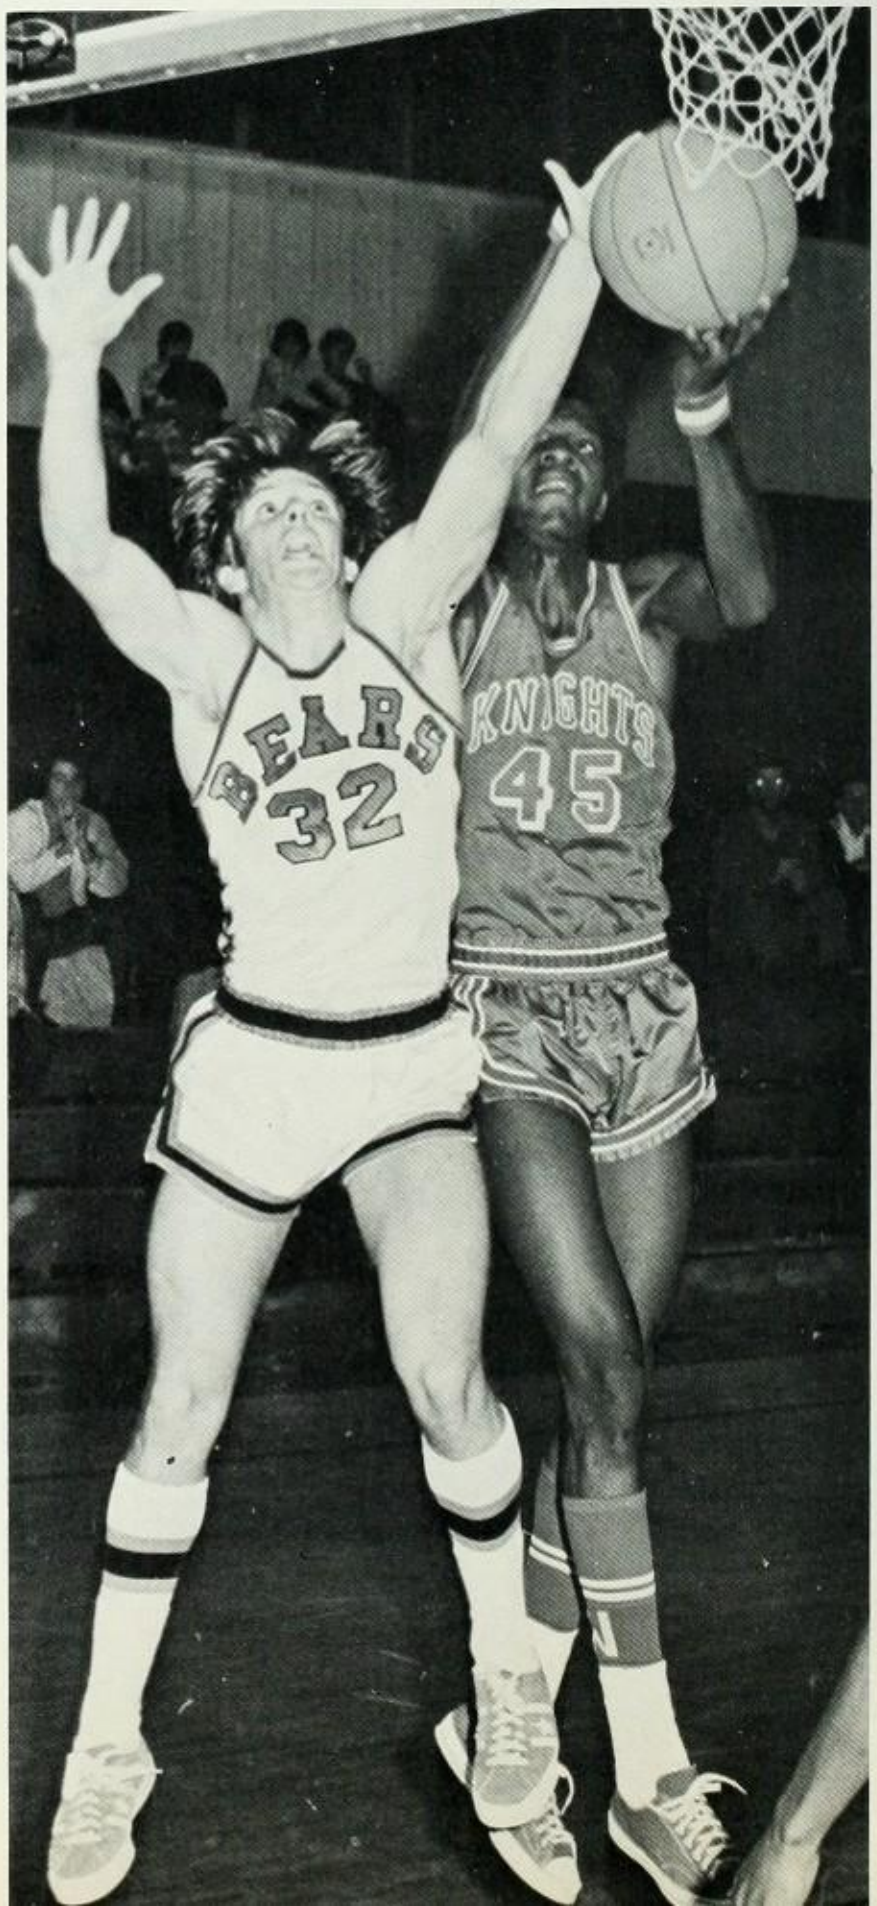
Top Graduate Honors Received By Brandao

At the CHS Honors Banquet, May 24 at the Catholic Life Center, Brother Donnan named Greg Brandao as the outstanding graduate of the 1973 class.

Brandao won six other Golden Bears, including Valedictorian, the American Legion Award, the Student Athlete Award, the best in English, Math, and Student Council Awards. He earned a cumulative grade point average of 4.00.

As the one the National Merit Finalists, Brandao received an LSU Alumni Federation Scholarship, and other scholarships throughout the year. He was president of the Student Council, treasurer of the Beta Club, and member of the National Honor Society and the Key Club.





ABOVE: Delivering his Valedictorian Address at the Honors Banquet, Outstanding Graduate Greg Brandao touches on the Senior Trip to Florida.

TOP RIGHT: Greg happily receives his diploma from Monsignor Patrick Gillespie during the Graduation Exercises at St. Joseph's Cathedral.

RIGHT: As a basketball player, Greg excelled in both offense and defense, typified here during a heated contest against the Woodlawn Knights.

Bruin Men Of Year

BOBBY BARBRE, a high-spirited individual who always gave great enthusiasm in his work, was a first honors graduate, the Student Council vice-president, and winner of the most spirited and scholastic award in football.

GREG BRANDAO was the 1973 Outstanding Graduate at CHS. He was also valedictorian with a perfect 4.0 average, and claimed seven Golden Bears at the honors banquet. Greg was a National Merit Finalist and recipient of an LSU Alumni Federation Scholarship.

MIKE BROCATO, president of the National Honor Society, won Golden Bears for Outstanding in Social Studies and NHS. An honor graduate, he was also named to the Society of American High School Students.

NELSON DALY, "Mister LHPC", was one of the original organizers of the Lemon Hubig's Pie Club, a service club. Nelson led the CHS band in the percussion department for four years. His quiet, yet hardworking nature earned him the respect of his peers.

JOHN L. DANIEL served as business manager for the Bruin and the received Quill and Scroll Award for his service. John L. was a second honors graduate, was active in Key Club, and was selected a member to the Society of American High School Students.

DONALD DeLATIN, a first honors graduate, was a member of the Key Club, the NHS, the Beta Club, and the CSMC. He also gave his time as manager for both track and basketball teams.

RICHARD EDELMAN, an ever-present and indispensible Key Clubber, was awarded the Golden Bear in Business Education. Rich was also a first honors graduate.

ALVIN HIMEL, took top honors in the Baton Rouge Equations League in leading the CHS team to first place. A quiet, studious person, Alvin was a first honors graduate and a National Merit Finalist. He was active in the National Honor Society, the Beta Club, and BEAR FACTS.

STEVE LOSAVIO, one of the friendliest seniors at CHS, was president of the Beta Club and a first honors graduate. Steve lettered three years in basketball and four in track.

STEVE PASTOREK was the 1973 winner of the Golden Bear in BEAR FACTS. An editor for BEAR FACTS and head copywriter of the Bruin, Steve received the Quill and Scroll award in journalism. He was also a first honors graduate.
